Declaration of compliance with:

- These products comply with the Industry Guideline for the Compliance of Paper & Board Materials and Articles for Food Contact (Issue 2: September 2012)
- These products comply with Regulation (EC) No. 1935/2004 (as amended)
- These products comply with Regulation (EC) No. 2023/2006 (as amended)
- These products comply with the Dutch Commodities Act (Packaging and Consumer articles) Regulation, chapter II

Information about the compliance of substances used that are subject to any restriction or specification:

These items have been manufactured only with substances and additives that are authorised under the Dutch food packaging and use articles act (WVG) and the raw materials that are listed in BfR Recommendation XXXVI. The Industry Guideline for the Compliance of Paper & Board Materials and Articles for Food Contact (Issue 2: September 2012) refers to these two lists in Annex I.

Information about the compliance of substances subject to purity criteria:
There are no substances subject to purity criteria.
There are no substances subject to restrictions apart from the overall migration limits.

Information about the use of "dual-use" additives in the material:
No dual use additives were used in the manufacture of this product.

Conditions of use:

- **Type(s) of food with which it is intended to be put in contact**
  All foods.
- **Time and temperature and storage while in contact with the food**
  The articles can be used at 200°C for 90 minutes. The products are suitable for deep-freezing.

Functional barrier:
There is no functional barrier present.

GMP:

The factory holds the following certifications:

BRC Global standard for Packaging and Packaging materials – Issue 5: July 2015: Grade B	(valid until 28.01.2020)
ISO9001:2015	(valid until 24.01.2022)
ISO14001:2015	(valid until 24.01.2022)
OHSAS18001:2007	(valid until 21.05.2021)
