## Heavy metals, Hazardous substances, Material recycling

acccording to the Directive 94/62/EC (the Act. No. 477/2001 Sb. On Packaging)

**manufacturer Smurfit Westrock Czech, s.r.o**
**registered office Skandinávská 1000, 267 53 Žebrák, plant Tovární 15, 643 00 Brno, CZ**
**(Id no. 25105582, VAT no. CZ25105582)**

declares and confirms to its exclusive liability that:

## corrugated board products

manufactured by the above mentioned producer

I. Do not contain hazardous substances and that these hazardous substances referred to the EU Directive (SVHC substances according to Article 33 REACH 1907/2006, PFOS, RoHS 2), are not added for the purpose for functional reasons. Other regulations, standards and documents used in the assessment and determination of the quantity of hazardous substance are as follows:
   1. Regulation no. 115/2002 Sb. on details of packaging treatment
   2. ČSN EN 13428:2005 – Specific requirements on production and composition – Source decrease prevention
   3. Declaration of individual suppliers of raw materials used for production of corrugated board and corrugated board products.

II. Total of heavy metals amount Pb, Cd, Hg, Cr, procedure evaluated according to:
Technical Standard ČSN CR 13 695-1:2001 does not exceed the limit value of 100 mg/kg.

III. Under usable conditions the material can be used for recycling according to:
   1. ČSN EN 13430:2005 – requirements on packaging usable for material recycling
   2. Directive 94/62/EC (The Czech Act. No. 477/2001 Sb. On Packaging)
   3. ČSN EN 13427 – requirements on using The European Standards for packaging and waste from packaging.

Furthermore the manufacturer has taken an action within the level given by the established and certified quality systems according to integrated quality management system by ČSN EN ISO 9001, by which it safeguards the compliance of all packaging material placed on the market with the technical documentation and with the general requirements on the packaging material.

This declaration replaces Declaration on Packaging Material dated January, 17th 2024.

Brno, January 3rd 2025.
